

NOTICE OF CONTINUED PUBLIC HEARING

In the Matter of the Petition for a LAKE KORONIS AQUATIC MANAGEMENT PLAN

Whereas, a petition has been filed with the North Fork Crow River Watershed District for the establishment of a Lake Koronis Aquatic Plant Management Project, and whereas the Project engineer has filed their report, and whereas the appraisers appointed to determine the benefits and damages of the proposed project have filed their report,

NOW, THEREFORE, Notice is hereby given that the North Fork Crow River Watershed District Board of Managers will hear public comment on the proposed project at a continued hearing conducted on Thursday, October 1, 2020 at 6:00 p.m. All persons interested in the proposed project wanting to be heard should appear, in person or virtual, at this time at the River of Life Church, 22881 178th Ave, Cold Spring, MN. The hearing will be live streamed at <https://riveroflifemn.online.church> beginning 10 minutes prior to the start of the hearing. Online attendees will be able to ask questions by typing in the “Chat” box. To assure that all comments are made part of the public record, presentation by email or letter mailed to the Watershed District by the close of business on Tuesday, September 29th is requested. Letters may be addressed to NFCRWD, P.O. Box 40, Brooten, MN 56316. E-Mail: nfcrwsd@tds.net. All project documents will be posted at www.nfcrwd.org. Note, due to COVID 19, all in-person attendees will be required to practice social distancing and wear a mask.

The properties affected by the proposed project are those adjacent to Lake Koronis in Stearns and Meeker Counties.
